## PATCH LIST

The mics are just suggestions in case you are not sure what to rent. If your venue's engineer has better suggestions or already owns a collection of mics, we're happy to use different ones as well.

Drum mic setup and guitar amp micing depends on the room size and needs to be discussed between us and your engineer.

CH	Instrument	Mic	Stand	Comment
1	Lead Vocals (at keyboard)	Sennheiser e945	Boom mic stand	no phantom power
2	Lead Vocals (Center)	e945, Beta58 or KMS-105	Straight mic stand

## **THANK YOU**

Thank you very much for helping us making this event successful and enjoyable for all of us.  
We're looking forward to meet you in person and work together on the day of the event.

If any part of this rider can't be fulfilled, just contact us and I'm certain, we will figure out a practical solution.

Kind regards,

Julian Moreen
